PRINCE MAHIDOL OF SIAM COMES TO UNITED STATES FOR MEDICAL EDUCATION—NOT WIFE

PRINCE MAHIDOL, OF BANGKOK, AT LEFT, AND PHY PRABHA KARAVONGSE, SIAHESE MINISTER TO WASHINGTON.

SAN FRANCISCO, Cal., Aug. 25.—His Royal Highness Somdet Chao Fa Mahidol, Krom Khan Songkla, 24 years old, an Oxford graduate, has come to the United States to round out his education. Interpreting his many-word title, he is Prince Mahidol of Siam, third brother of King Chulalongkorn, and one of the many grandsons of the late sovereign, Chulalongkorn.

The prince speaks half a dozen languages fluently, including English and German. He is smiling and dapper, inclined to be democratic.

"I am not looking for an American

wife," he announced. "I am going to look over a dozen American universities and then specialize in tropical diseases."

The extent of polygamy is being cut down in Siam, he said, there being fewer harems. He is opposed to the plural marriage system and, like his brother, the king, has developed bachelor ideas.

He has a large, independent income, part of which is derived from the rental of a number of small islands, on which sea swallows make nests of an edible nature.

The prince will visit western cities in a private car before going east.

Pain in Back of Neck Often Denotes Kidney Weakness.

Symptoms of kidney trouble are various, but pain in back of neck and dull, aching feelings in small of back are to be looked for.

Simply by realizing that these distresses are often the onset or signals of kidney trouble it is well to get rid of them immediately by toning the kidneys. The very best way to do this is by taking a little "Anuric" with the meals. In this way it is dissolved with the food and finally reaches the kidneys, where it has a tonic effect.

"Anuric" was recently discovered by Doctor Pierce, of Buffalo, N. Y., where it has been thoroughly tested.

In his Invalids' Hotel and found 37 times more potent than lithia. Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciatica. "Anuric" conquers uric acid as hot water melts sugar.

Some one daily offers his or her words of praise of "Anuric." Here is what Mr. HORACE FANSGROVEN has to say:—"For the last year I had neuralgia and rheumatism in the left shoulder, and for the past six months have not even been able to raise my arm and couldn't sleep at night, the pain was so great. Recently I decided to try 'Anuric.' I have been using the tablets but a short time, but the pain has almost left my shoulder and I can raise my arm and use it, which I couldn't do before. 'Anuric' is the only remedy I have found that has helped me, and I have used dozens of other medicines." *Stop in the drug store and get 'Anuric,' or send Dr. Pierce 30c for trial package.*

Cecil J. Straight Badly Hurt in Fall

Cecil J. Straight of Youngstown, O., who formerly resided at Grant Town is in a serious condition at his home in Youngstown as a result of a fall from a building on which he was working. Mr. Straight fell a distance of sixty feet and alighted in a pile of slag. Physicians in attendance state that his chances for recovery are fair. A message received here last night by Mrs. Wayne R. Powell, who is a sister of Mr. Straight, told of his injuries. Should his condition not improve Mrs. Powell will go to Youngstown.

The many friends of the young man in this city will regret to learn of the accident.
